Soldotna High School

Welcome:

The administration and staff would like to take this opportunity to welcome you to Soldotna High School. The information in this folder has been carefully prepared to help you succeed at SoHi. This information is in compliance with Board of Education policies, copies of which are available in the Principal's office. The support staff, teachers, counselors and administrators are all here to assist you with your education.

Academics: Soldotna High School is committed to academic excellence. Students should choose those classes and programs that enable them to reach their potential. The National Honor Society (NHS) recognizes those students who have reached the highest possible level of achievement and leadership in academics. Membership in NHS is based on those students who have a cumulative GPA of 3.6 or higher and have completed two advanced classes. The selection criterion for Valedictorian/Salutatorian is based on the student's cumulative GPA for the four-year high school curriculum and participation in a minimum of four advanced classes. See Counseling/Guidance at the end of the section under academics for a list of these courses.

Attendance Policy: When an absence occurs: Parents or guardians must either call the office at 260-7000 between 7:30 and 8:30am or send a note the day the student returns to school to excuse the absence. Students must obtain an admit slip from the office before going to class the morning of their return.

All absences must be excused within 24 hours. If absences are not excused by the next day, the student may be suspended and the absence will be listed as an unexcused absence or truancy.

Building Hours: Normal building hours are from 7:00 AM – 2:45 PM. SoHi will be locking the Parking lot entrance Door during the following hours: 7:40 am to 11:55 pm & 12:25 pm to 2:15 pm. During school hours the only open door will be the Front Entrance Commons/Flag Pole doors. The above is to improve our overall school security. Any student not under the direct supervision of a teacher, coach, or administrator should not be in the building after 2:35pm.

Cutting Class/Skipping School: Parents and administration will determine the consequences of students cutting class. Initial consequences result in detention. A third incident of cutting class of any length will result in community service. Any student skipping school over three hours will result in community service. Failure to complete community service will result in a two day suspension from school.

According to Alaska State Law, a student missing 10 consecutive days can automatically be withdrawn. When a 10th-12th grade student is absent more than 15 days/classes per semester for reasons other than school related programs, the student's attendance, attitude, behavior and achievement in all classes shall be reviewed by a committee appointed by the principal to determine if the student shall be granted semester credit and/or permitted to participate in extra-curricular activities.

Students arriving at school after the tardy bell must sign in at the office and obtain an admit slip to class. Discipline action for morning tardies; 1st, 2nd and 3rd tardy – sign in at the office; 4th and each tardy thereafter – detention. Students who arrive after 8:15am will be considered absent from class. Students may not attend any dance or other after school extra-curricular activity if they were not in attendance on the day of the activity.

Students Tardiness to Class will not be tolerated. 1st tardy during a quarter – student warned; 2nd & 3rd tardy – teacher calls home; 4th tardy and each one thereafter per class period during that quarter will result in one hour of after school detention.

Daily sign out pass: If students need to leave the building, they must have written or oral permission from parents or the school nurse to obtain a pass from the attendance office and sign out. Upon returning to school, students must check back in at the office with the pass.

Prearranged Absences are excused absences arranged in advance. To obtain a prearranged absence the student must do the following:

1. Bring a note from home to the attendance office and pick up a form.
2. Circulate form among teachers whose classes will be missed and collect homework.

3. Return form to the attendance office. Prearranged absences may affect a student's grade and will count toward the 15-day attendance policy.

Withdrawal or transfer from school: Parent or guardian must notify the office via a written letter 2 days in advance of the student moving or transferring.

Add/Drop Procedure: Students may add/drop classes for 8 school days following the start of any semester. Students must obtain an add/drop form from the counseling office, obtain a parent's signature, and return the form to the counseling office. Courses dropped after the add/drop period will be reflected on the semester transcript with a grade of WP or WF.

Incompletes: In order to accommodate students in extenuating circumstances, teachers may assign a grade of "incomplete". Any incompletes not made up within 2 weeks automatically become "Fs". Exceptions will be made with "504 Accommodation Plans". Any grade changes after the two-week period will require an administrator's signature.

Dances: School dances are sponsored by various Soldotna High classes & clubs. Proceeds go directly to those organizations. All attendees must be in high school. Non-Soldotna High School students must be accompanied by a Soldotna High student. Students will be required to Dance "Face to Face" and "Leave a space at all SoHi dances. Guests must be signed up with the Vice Principal prior to the dance. Once students leave the dance they are not permitted to return to the dance unless accompanied by a school chaperone. The school dress code is in effect at all dances. Homecoming and Prom are the only dances that non-high school age guests may attend. These guests must be 20 years or younger. Dances are held from 7:30-10:30 pm in the school Commons.

Discipline: The school district conducts an instructional program for the benefit of pupils living in the school district. It is desirable to have all pupils remain in school until they have graduated from senior high school. Every resource available to the school district and the parents shall be used to achieve this purpose.

Students are expected to be reasonably diligent in carrying out their school obligations. Failure to be diligent in study or in adhering to school regulations means that a student is guilty of misconduct and may lose the privilege of attending school. Students will be given every opportunity to achieve scholastic success, but those who persist in creating behavioral problems will be subject to disciplinary action and/or suspension. District policies will be closely followed in disciplinary situations involving any substance use.

A copy of the district's handbook has been provided to each student. Students are responsible for knowing the contents. A discipline code has been established by the Kenai Peninsula Borough School District. The school administration or staff will address questions about this code. District policy and due process will be closely adhered to in all discipline issues.

Suspension: Soldotna High School uses both a detention program and out-of-school suspension. All students are provided a copy of the discipline policies. Students who are disciplined are required to fulfill the assigned discipline before readmission to the regular school program. Parent meetings will be held when needed to resolve discipline issues.

Athletics: A good program of interscholastic competition is available to Soldotna High School students. We encourage you to participate. To be eligible to participate in any sport, a student must meet scholastic requirements established by the district and the state and have parental consent coupled with a current physical. Remember, participation in athletics is a privilege not a right. Students should see the Athletic Director for further information.

Closed Campus: All students are expected to remain on campus throughout the day. This is the official policy of Soldotna High School. If a student leaves campus during the school day, regardless of the reason, without obtaining permission from the office, the student is considered truant and may be suspended from school.

Open Campus: The Principal reserves the right to cancel "Open Campus" because of weather and/or unusual circumstances. Students in grades 12 will receive a SOHI key chain with their name on the key chain to act as a pass for open campus. Should a student lose his/her key, the student will

have to purchase the next key chain and will have to wait for its arrival before regaining open campus privileges. Students will also have to turn their key chain into the office if they fail to meet all program criteria.

Computer/Technology: Computers and technology have become an integral component of education. Students are given the opportunity to work and use computers on a daily basis. Students who abuse, vandalize, steal or access or manipulate inappropriate material, will be handled according to district disciplinary codes. Students may be suspended and/or have the privilege of using computers revoked due to inappropriate use. Students should refrain from altering desktops, systems configurations, and other hard drive set-ups without prior permission from school staff. Students will be referred to local law enforcement agencies should it be deemed necessary. Computer misuse can be considered a felony offense and district officials will take each offense very seriously and evaluate it based upon investigation results. Soldotna High School is working hard to develop a comprehensive technology program. Students can access this plan at our school web site (www.kpbsd.k12.ak.us/sohi/).

Dress Code: Students attend our school to prepare for post-secondary school education, employment, or military service. Consequently, Soldotna High School has the responsibility to both define and encourage appropriate dress. Students are expected to wear clothing that is appropriate for school and is not disruptive to the educational process. Dress that is obscene, vulgar, or promotes violence or the use of drugs and/or alcohol will not be allowed. Some examples of inappropriate dress include: short skirts, shorts (must touch the END of your fingertips), spaghetti straps, bare backs, low necklines, bare midriffs, pants worn below the hips with underwear showing and all clothing without the proper undergarments. Students will be referred to the administration in such cases. Students will be required to conform to school dress code before readmission to classes. Parents will also be notified of dress code violations.

Counseling/Guidance Services: Guidance services are available for every student in school. Counselors provide a number of services for students and parents. Whether it is in the area of post high school plans, personal concerns, or academic decisions, the counselors are here to help.

Graduation Requirements:

H.S. Diploma: 22 credits for students scheduled to graduate in the year 2006-2007 school year and subsequent years.

English	4 credits	Practical/Creative Arts	3 credits
Social Studies	3 credits	Physical Education	1 credit
Math	3 credits	Health	.5 credits
Science	3 credits	Electives	4.5 credits

Hall Passes: During class time students should not be in the hall without a pass from the office or a teacher. Passes will be periodically checked in the hall by the staff. The pass should show the time the student left and destination.

Lockers: Each student is assigned a locker in the school. Lockers are the property of the school district and are under the direct control and supervision of the administration of the district. Marking on lockers is prohibited. The school administration reserves the right to inspect lockers, desks, and other storage areas and their contents to protect the health, safety, and general welfare of every person in the school community. Locker combinations are given to students at the beginning of the year. It is the student's responsibility to maintain the security of that combination. Combinations will be changed for a \$5.00 fee. Money or other valuables (such as electronics) should not be left in school lockers, desks, or storage areas. Neither the school nor the district is responsible for losses. *Students are not to share lockers, i.e. only one student per locker.*

Make-Up Policy:

Excused absence: Students who miss class time must assume responsibility for obtaining make-up work. Students have two days for each excused day they are absent up to a maximum of 5 days. There are three exceptions: First, there are absolute due dates that are announced far in advance. Even if absent, these assignments/projects are due on the assigned date. Second, if a student misses only the day of a test or the day a project is due, the test must be made up or the project must be turned in on the day the student returns. Third, if a student is found truant he/she will not be permitted to make up the work missed. Make-up work will be done outside of the regular class period so that the student will not be behind in his/her present class responsibilities.

Prearranged Absences: (including school related) Students have the responsibility to get assignments before leaving. Work for prearranged absence is due upon return to class.

Media Center: The library hours will be posted at the beginning of the school year. It will continue to be open during lunchtime if a parent volunteer is available. During class time, a student must have a pass from a teacher and sign in at the library. Books are checked out for 3 weeks. Magazines may be checked out overnight only and are due back before school starts the next morning. All items are loaned with the agreement that they will be returned on or before the due date. The cost of lost, damaged, or non returned items will be charged to the students.

Commons: All people who eat in the commons are expected to exhibit proper manners. Each student is responsible for cleaning his/her individual dining area. Please make every effort to keep our school clean so we may be proud of it. Food is not allowed in the hallways.

Parking: Student parking will be limited to the front entrance parking lots only. Staff and visitor parking will be located in the first row. Students may park in the second row and beyond. Students are not allowed to park on the flagpole side parking area or pool doors. **PARKING PERMITS** will be issued to students upon vehicle registration during the school year. All vehicles must be registered in the office. Students may have their parking privileges revoked for reckless driving, parking improperly, or other careless acts. Please drive carefully!

Electronic Devices: The use of radios, tape players, cellular telephones, I-pods, electronic pagers, stereos, walkmans, and/or any other electronic device is deemed inappropriate for most classroom situations. Electronics will not be allowed in the classroom unless specifically permitted by the instructor. If a cell phone goes off during class, it will be confiscated and the Parent must pick the phone up from the office between the hours of 7am-2:45pm M-F. The owner will receive one hour of after school detention.

Assemblies: Assembly programs are held in the auditorium/gymnasium. Programs are presented for the interest or entertainment of the student body. Students are expected to conduct themselves properly and in accordance with the purpose of the occasion. Respect for the speakers and/or a performer is expected.

Detention: Infractions or violations of the rules may result in a detention assignment. Detention is held after school on Monday through Thursdays from 2:30pm to 3:30pm. Failure to report will result in an interaction for insubordination and 3 hours of community service. The following rules govern the expected conduct in detention:

1. Students are to bring sufficient schoolwork for the entire detention session.
2. Students will be assigned seats determined by the supervisor.
3. No talking, eating, drinking, or sleeping will be allowed.
4. **No electronics i.e. radios, I-pods, walkmans, etc. are allowed.**
5. Students will not be allowed to leave the room.
6. Absences from or schedule changes to a student's detention must be approved by an administrator in advance of the scheduled detention.

Alcohol and Drug Policy: Refer to KPBSD Policy Manual BP5131.6

District Policy: All school district policies can be reviewed via the school district web site. School district policy manuals are also available in the school office. Administration welcomes questions and will be happy to meet with interested parties to discuss specific questions. A KPBSD parent/student handbook has been provided for you to review. Please sign and return the Acknowledgement of Receipt page as soon as possible.

District Administration:

Mr. Steve Atwater	Superintendent of Schools
Mr. Dave Jones	Assistant Superintendent
Mr. Sean Dusek	Assistant Superintendent
Mr. John O'Brien	Director, Secondary Curriculum & Assessment
Dr. Christine Ermold	Director, Elementary Education & Curriculum
Mr. Tim Vlasak	Director, Federal Programs
Mrs. Joann Riener	Director, Human Resources
Mrs. Laurie Olson	Chief Financial Officer
