appointment. Call 262-0227 to sign up.

ACCUPLACER®

ACCUPLACER® is an integrated system of computer-adaptive assessments designed to evaluate students' skills in reading, writing, and mathematics. Delivering results immediately and precisely, ACCUPLACER offers diagnostics and intervention support to help students prepare for academic course work. Each year, ACCUPLACER connects more than 2.5 million students to college and career opportunities.
